

Power of the Dream Ventures, Inc. approved for trading under the ticker symbol PWRV

**BUDAPEST, HUNGARY February 20, 2008** -- Power of the Dream Ventures (PDV), one of Hungary's premier technology acquisition companies, is pleased to announce that its shares of common stock have been approved by FINRA for quotation and trading on the Over The Counter Bulletin Board (OTCBB) under the ticker symbol PWRV. Trading will commence in the Company's securities on the OTCBB beginning on February 21, 2008.

"Everyone at the company is thrilled that we have been approved for trading on the OTCBB," commented Viktor Rozsnyay, President of the Company. "We believe that this will enhance visibility and liquidity of the Company's shares in the public market. We look forward to executing our business plan and increasing shareholder value in the coming years."

#### **Forward-Looking Statements**

This release may contain "forward-looking statements" for the purposes of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements reflect the Company's current expectations about its future plans and performance, including statements concerning the impact of marketing strategies, new product introductions and innovation, deliveries of product, sales, earnings, and margins. These forward-looking statements rely on a number of assumptions and estimates which could be inaccurate and which are subject to risks and uncertainties. Actual results could vary materially from those anticipated or expressed in any forward-looking statement made by the Company. Please refer to the Company's most recent Form 10-K and subsequent filings for a further discussion of these risks and uncertainties. The Company disclaims any obligation or intent to update the forward-looking statements in order to reflect events or circumstances after the date of this release.

#### **About PDV.**

Power of the Dream Ventures, Inc. is a premier holding company focused on technology acquisition and development enabling the delivery of revolutionary concepts and ready to market products to the international market place. We provide hands on support by developing-, acquiring-, licensing-, or co-developing technologies by offering a full range of services designed to encourage and nurture growth by virtue of access to the expertise of Power of the Dream Ventures' management team, and their substantial network of advisors and contacts. We develop-, acquire-, license-, or co-develop technologies that originate exclusively in Hungary that are in prototype stage based on existing patents; in prototype stage prior to patenting; existing products that require expansion capital to commercialize; emerging science and high-technology research projects that require help in patenting, developing the product and marketing, University spin-off technologies and ideas from the very early stages on that represent "disruptive technologies."
